A Tapestry of Love

Crochet, knit, and care: Thabazimbi's patchwork Christmas tree warms hearts and homes

Thabazimbi – In the heart of Thabazimbi, a Christmas tree unlike any other is taking shape. Since July 2024, the NG Church has been gathering small squares, lovingly crocheted or knitted by the community, to create a patchwork Christmas tree. This initiative, more than just a festive decoration, embodies the spirit of togetherness, while each square measuring approximately 15 x 15 cm, symbolises the individuality and unity of those who contribute.

A shining star will grace the top of this unique tree, but its true beauty lies in the squares, each one bringing warmth and love. The church has already received an impressive collection of approximately 2,000 patch blocks, all donated by caring hands from across the community.

Linda Richards, a dedicated member of the church, expressed her heartfelt gratitude, saying, "We are like a patchwork quilt, made with smiles and tears, coloured with memories, and held together with love. Thank you for being part of the patchwork tree."

However, the story doesn't end with Christmas. After the festive season, the NG Church Thabazimbi will

repurpose the patchwork tree into blankets, spreading the warmth even further. These blankets will be donated to local old age homes, the Thabazimbi Homeless Shelter, and the Thabazimbi Soup Kitchen, ensuring that this community effort will continue to provide comfort long after the holiday season has passed.

For those who still wish to contribute, there's time. The church is accepting crocheted and knitted squares until 15 December 2024. You can drop them off at the church, the church office, or even the church kitchen.

To learn more about the Christmas patchwork tree project, you can reach out to Linda Richards on 082 466 6281.

The NG Church Thabazimbi's Christmas patchwork tree, made up of nearly 2,000 lovingly crafted squares.

HAVE YOUR SAY

Do you feel your neighbourhood is welcoming to newcomers?

Many communities pride themselves on being open and inclusive, but how do newcomers experience this firsthand?

“Yes, whenever we have newcomers, we make it a point to introduce ourselves and let them know that if they ever need help, they should feel free to ask. We also share important information about the safety of our area.” **Michael Randitsheni, Regorogile**

“Yes! When I relocated to Rooiberg in September 2023, everyone was, and still is, very welcoming. In a small community like ours, we stand together and always lend a hand when there's a need.” **Christelle du Plessis, Rooiberg**

TAR really needs your help

Thabazimbi – There is a special plea to the community of Thabazimbi to support Thabazimbi Animal Rescue (TAR), your local animal shelter. TAR needs donations of food. The facility is filled with animals that need your help. Please assist TAR to feed the animals in their care. Without donations they will not be able to feed, home and medically treat the animals. The community has proven time and again how they can stand together and support this worthy cause and this time is no exception.

For more information, please contact TAR on 084 885 6487.

POLL

Do you think mob justice is justice served?

Mob justice remains a controversial issue in South Africa, where communities sometimes take the law into their own hands. However, these incidents rarely result in arrests, raising questions about justice and accountability. On that note, do you think people use mob justice to cover up murder? (because there are almost never arrests with mob justice.) Here's how you can participate. Email us at news@platinumbushvelder.co.za or WhatsApp your response to 081 579 7000. Include the following:

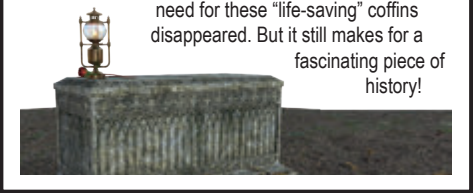

- Your answer: Yes or No
- Why? We want to hear from you!
- A recent photo – We'd love to publish your pic alongside your answer!
- Your town/city
- Deadline – Be sure to send your response before 12:00 on Monday, 28 October 2024.

Vote results: The outcome of the poll will be featured in our next issue. Be a part of our community's story! P.S.: Don't forget, you can also voice your opinion on our Facebook post about this topic. Join the conversation!

FUN FACT

Did you know?

Saved by the Bell? In the 18th and 19th centuries, people were so afraid of being buried alive that they came up with an unusual invention — safety coffins. These coffins featured strings connected to bells above ground. If someone woke up after burial, they could pull the string and ring the bell to alert graveyard workers! While no known cases of successful rescues exist, these coffins reflected the era's real fear of premature burial. Thankfully, with medical advancements, the need for these "life-saving" coffins disappeared. But it still makes for a fascinating piece of history!

PROVERBS 24

Do Not Envy Evil Men

24 Do not be envious of evil men, Nor desire to be with them; 2 For their heart devises violence, And their lips talk of troublemaking. 3 Through wisdom a house is built, And by understanding it is established; 4 By knowledge the rooms are filled With all precious and pleasant riches. 5 A wise man is strong, Yes, a man of knowledge increases strength; 6 For by wise counsel you will wage your own war, And in a multitude of counselors there is safety. 7 Wisdom is too lofty for a fool; He does not open his mouth in the gate. 8 He who plots to do evil Will be called a schemer. 9 The devising of foolishness is sin, And the scoffer is an abomination to men.
