Stay Safe, Stay Away!

Elandskuil Bridge:

A crucial crossing now closed for safety due to rising water levels.

“Let’s work together to stay safe — avoid the rivers, take precautions, and have a wonderful 2025!”

Angelique Loots, director Thaba Fire and Rescue

Thabazimbi – Recent heavy rainfall has led to increased water levels in Thabazimbi’s rivers and streams, prompting Thaba Fire and Rescue (TFR) to issue an urgent safety warning to the community.

Elandskuil Bridge closure

The Elandskuil Bridge was officially closed on 8 January 2025, at 19:15 due to rising water levels. TFR director Jannie Rossouw emphasised the importance of avoiding the bridge and other flooded areas to ensure public safety.

Safety precautions from Thaba Fire and Rescue

TFR has shared the following safety guidelines to protect residents:

1. Avoid rivers and streams, particularly during periods of heavy rainfall.
2. Do not use rowing boats, rafts, tires, or other floating devices on the water.
3. Refrain from swimming or fishing while water levels remain high.
4. Do not cross bridges that are overflowing.
5. Heed warning signs placed at high-risk areas. These signs are there for your protection.
6. In case of danger, contact emergency services immediately. Do not attempt to assist others without proper training and equipment. Emergency responders are equipped to handle such situations promptly.

Rainfall and risk areas

Thabazimbi has experienced approximately 315mm of rainfall over the past three weeks. High-risk areas include:

- Eland Street
- Warmbad Road (R510) near Kumba (Stinkdraai, heading out of town)

While rumours have circulated on social media about the Crocodile River overflowing, TFR confirmed that the river has not yet flooded.

Current road conditions

Despite a recent voice note claiming the Warmbad Road was closed, TFR confirmed that it remains open as of 13 January 2025.

Community cooperation

TFR has shared their messages widely on social media and community groups, urging everyone to prioritise safety and adhere to guidelines. By working together, the community can minimise risks during this challenging period.

For any emergencies, please contact Thaba Fire and Rescue immediately. Let’s ensure a safe and secure 2025 for all.

Smashblock/ Northam – On Monday 13 January 2025, tragedy struck in the small community of Smashblock near Northam. A truck carrying baked bread to market was swept away by powerful stormwaters while attempting to cross a bridge, around 13:30.

According to reports, the truck was caught in the fast-flowing stream and carried away by the water. Emergency services were alerted shortly after 14:10, and responders rushed to the scene. Upon arrival, they found a harrowing sight: a man lying face down on the ground and another sitting near the stranded truck, approximately one kilometre apart.

Despite the best efforts of emergency personnel, the 43-year-old driver was declared dead at the scene. His body was taken to the Bela-Bela government mortuary. The truck’s passenger, a 34-year-old man, escaped without injuries but was visibly shaken. The rescue operation involved multiple teams, including Northam SAPS, Thaba Fire and Rescue, Amandelbult Fire and Rescue, Thabazimbi Local Municipality’s Fire Department, state ambulance services, and Amandelbult Complex Security Services.

The driver’s final moments are almost too painful to imagine. Surrounded by the relentless torrent of water, he must have fought with every ounce of his being to survive. His loss is deeply felt by all who knew him, and our hearts go out to his family and loved ones during this difficult time.

This tragedy serves as a sobering reminder of the dangers posed by heavy rains and flooding. Authorities urge all residents to exercise extreme caution near water crossings during storms and to prioritise safety. The community mourns the loss of a life cut short and extends its condolences to the grieving family.

Limpopo hit by devastating floods and drownings

Limpopo – The Limpopo Province has faced a series of tragic events as heavy rains, thunderstorms, and severe flooding have hit the region since the start of the new year. These weather conditions have caused widespread damage, leading to multiple drowning incidents and significant destruction to infrastructure. The three most affected districts — Capricorn, Mopani, and Waterberg — have reported widespread devastation, particularly in Waterberg, where the impact has been most severe.

Drowning incidents and animal attacks

The provincial commissioner of the South African Police Service in Limpopo, lieutenant general Thembi Hadebe, issued a stern warning to parents and residents to ensure the safety of their children, particularly during the rainy season. The warning follows several tragic drowning incidents and attacks by wild animals in rivers infested with crocodiles and hippopotamuses.

The most recent incident occurred on 4 January 2025, when two 16-year-old boys were swept away by the flowing Luvuvhu River in the Xikundu area of the Saselemane policing area. Despite the efforts of divers, the boys’ bodies were recovered from the river.

Another tragic incident took place in the Waterberg District on 1 January 2025, when three people — two young boys and an adult — drowned in Phalala River. The search team was forced to halt their efforts after encountering a herd of hippopotamuses and two charging animals.

Severe flooding and infrastructure damage

In addition to the drowning incidents, the heavy rains have caused widespread flooding, particularly in the Waterberg, Mopani, and Capricorn districts. A total of 13 drowning incidents have been reported across these areas, including two in Blouberg, four in Polokwane, and two in Waterberg involving boys from Viena and Marken (Monareng village).

The Jabulani informal settlement in Thabazimbi has been severely flooded, affecting 400 households and disrupting services at the Thabazimbi Hospital. We extend our deepest condolences to the families affected by these tragic events. The loss of loved ones, particularly young children, is heartbreaking. As we continue to assess the situation, we urge all residents to stay informed, take necessary precautions, and heed the safety warnings issued by authorities.

COMMUNITY URGED TO ASSIST DISASTER-AFFECTED FAMILIES

Thabazimbi – In response to a recent disaster that has left several families in the community struggling, the Thabazimbi Local Municipality is reaching out to local residents and businesses for immediate assistance. The disaster has severely impacted many families, leaving them without basic necessities such as beds, clothing, and food. In an effort to provide relief, the municipality is asking for donations of the following items:

- Mattresses and blankets:** Many families have lost their beds and are in need of a comfortable place to sleep.
- Clothing:** Both adult and children’s clothing are urgently needed.
- Non-perishable food items:** Canned goods, dry foods, and other essentials are essential to help sustain those affected during this difficult time.

Donations can be dropped off at 7 Rietbok Street, Thabazimbi. For more information or to arrange other forms of assistance, please contact the municipality on 082 079 9335 or 067 410 1335.

“Together, we can make a real difference and help our fellow community members rebuild their lives,” said Cllr. TJ Pilane, mayor of Thabazimbi Local Municipality.

JOHN 8

Jesus the Light of the World

8 But Jesus went to the Mount of Olives. 2 Now early in the morning He came again into the temple, and all the people came to Him; and He sat down and taught them. 3 Then the scribes and Pharisees brought to Him a woman caught in adultery. And when they had set her in the midst, 4 they said to Him, “Teacher, this woman was caught in adultery, in the very act. 5 Now Moses, in the law, commanded us that such should be stoned. But what do You say?” 6 This they said, testing Him, that they might have something of which to accuse Him. But Jesus stooped down and wrote on the ground with His finger, as though He did not hear. 7 So when they continued asking Him, He raised Himself up and said to them, “He who is without sin among you, let him throw a stone at her first.”

HAVE YOUR SAY

Do you believe there’s a perfect job for everyone?

Some believe that everyone has a role where their skills and passions align perfectly, leading to fulfilment and success. Others feel that careers evolve based on opportunities and circumstances. Share your views — does the concept of a “perfect job” resonate with you?

“No, I don’t believe there’s a perfect job for everyone. Often, we don’t land a job we love; we work to make ends meet and put food on the table.”

Mmapula Mataboge, Regorogile

“Yes, because we are all unique, and I believe each person has a role that suits them. Every job comes with its own challenges and requires different skills. Some people, for example, enjoy accounting, while others are more creative and prefer working with their hands. I believe job satisfaction plays a significant role in how well someone performs in the workplace. So, yes, I do think there is a perfect job for everyone.”

Reinette Mulder, Thabazimbi

TAR really needs your help

Thabazimbi – There is a special plea to the community of Thabazimbi to support Thabazimbi Animal Rescue (TAR), your local animal shelter. TAR needs donations of food. The facility is filled with animals that need your help. Please assist TAR to feed the animals in their care. Without donations they will not be able to feed, home and medically treat the animals.

The community has proven time and again how they can stand together and support this worthy cause and this time is no exception.

For more information, please contact TAR on 084 885 6487.

FUN FACT

Did you know?

Did you know the term “shot of whiskey” might have roots in the Wild West? Legend has it, when cowboys were short on cash, they’d trade bullets for a drink. A single bullet, often worth about the same as a whiskey pour, became an acceptable form of payment in some saloons. While historians debate the truth of this tale, it’s a fun reminder of the rugged ingenuity of frontier life.

Whether fact or myth, next time you sip a shot, imagine the clink of a bullet hitting the bar!

Rhinos ready to roar into 2025!

Setaria – The Northam Platinum Rhinos are set to kick off their 2025 season with an exciting friendly match against the Impala Rugby Club on Saturday 8 February 2025, right on their home turf. Assistant coach Flip de Kock expressed confidence in the year ahead, saying, “This year will be a great success. Please come and support us!” Don’t miss the action — come and cheer on the Rhinos as they charge into a promising season. For more information, contact De Kock on 076 791 4659.
