An overview of the Brits sewage treatment plant. According to the DA, infrastructure failures at the facility have allegedly resulted in untreated sewage entering stormwater systems that flow into the Crocodile River.

The Democratic Alliance says this photo shows damaged and exposed electrical components at the Brits sewage treatment plant, which it claims contribute to the plant's ongoing non-functionality.

SEWAGE POLLUTION THREATENS CROCODILE RIVER

Platinum Bushvelder newspaper | Thabazimbi – The Democratic Alliance (DA) says raw sewage is being discharged into the Crocodile River as a result of what it describes as the collapse and near-total non-functionality of the Brits Sewage Treatment Plant in the Madibeng Local Municipality.

In a press release issued on 28 January 2026, the DA said it had formally written to Madibeng's municipal manager, Quiet Kgatla, following repeated oversight visits that allegedly exposed severe infrastructure

failure at the plant. According to the party, broken pump stations and prolonged neglect have resulted in untreated sewage being diverted into stormwater channels that flow directly into the river.

The DA claims its most recent inspection on 16 January 2026 revealed that the facility is no longer functioning as intended. It says it has submitted photographic and video evidence to the municipality, which it believes confirms the scale of the pollution. The Crocodile River runs from the Brits region northwest into

Limpopo Province — including past Thabazimbi — and forms part of a major river system that ultimately becomes the Limpopo River. Water from this system is vital to communities, agriculture and ecosystems downstream, meaning upstream contamination has the potential to affect areas far beyond Madibeng. According to the DA, the alleged daily discharge of sewage poses serious public health and environmental risks. The party said pollution of irrigation water threatens crops and livestock, adding that farmers downstream have already reported losses and raised concerns about continued exposure. The DA further linked the sewage crisis to what it

described as a broader breakdown in service delivery within Madibeng, pointing to ongoing problems with water supply, sanitation, electricity, road maintenance and waste removal. It said residents are increasingly frustrated and forced to live with what it called preventable health hazards. In its formal correspondence, the DA said it has called for urgent intervention and plans to escalate the matter to Parliament, including the Portfolio Committee on Water and Sanitation. The party said it is seeking answers on why raw sewage is allegedly still entering the river, why sewage infrastructure has collapsed, how pollution is affecting farmers and communities, and why the municipality has failed to communicate transparently.

Platinum Bushvelder has contacted the municipal manager of Madibeng Local Municipality to respond to the allegations raised in the DA's statement. At the time of publication, no response had been received. The warning comes at a time when Thabazimbi and surrounding areas are facing dry conditions, water shortages and ongoing electricity challenges. Unlike this period last year, when rainfall was significantly higher, residents are now relying on limited and often untreated water sources.

In light of the allegations, residents are urged to take precautionary measures when using water from rivers, boreholes or informal sources. This includes boiling water before drinking, cooking or giving it to children, and exercising caution until authorities provide clarity on the safety of water supplies.

The DA said the Crocodile River is a vital resource that cannot afford continued neglect, warning that delays in addressing sewage failures risk long-term damage to public health, agriculture and the environment.

Justice Delayed Again as Child Assault Trial Moved to June 2026

Platinum Bushvelder newspaper | Thabazimbi – The long-running child assault case involving Ria Oberholzer, Petrus Oelofse and Jessica Hull has once again been postponed, with the trial now set to continue on 29 June 2026. The matter, which first went to trial in March 2024, has been marked by repeated delays over the past two years. It was previously scheduled for early December 2025, then provisionally moved to mid-January 2026, before being confirmed for late January. The latest postponement extends the case by a further five months. All three accused remain out on bail. They face serious charges, including sexual assault, child neglect, and assault with intent to cause grievous bodily harm.

Residents and business leaders came together at Trollope Hall to plan practical steps toward a sustainable Waterberg.

Local challenges and opportunities discussed at community meeting

Platinum Bushvelder newspaper | Thabazimbi – Community leaders, business owners and residents from the Waterberg and Thabazimbi area gathered on Thursday, 22 January 2026, at Trollope Hall to discuss the region's future and call for united, practical action – hosted by the Thabazimbi Sakekamer. Key challenges were raised, including water and electricity supply issues, municipal tariffs and unfilled critical municipal posts. It was stressed that these problems affect everyone and can only be addressed through a coordinated, collective approach.

Tourism was highlighted as a major economic opportunity. The Waterberg Biosphere and Marakele area offer significant untapped potential, with past sporting and tourism events already generating income for the local economy and reinvesting in infrastructure, conservation and community projects. Local businesses were encouraged to join the Thabazimbi Sakekamer and become actively involved. Keeping Little Passengers Safe

Platinum Bushvelder newspaper | Thabazimbi – As thousands of learners settle back into the school routine, road safety authorities across Limpopo have sent a clear message: when it comes to transporting children, shortcuts will not be tolerated. On 27 January 2026, the Limpopo Department of Transport and Community Safety rolled out a Safer Back to School operation in Thabazimbi CBD, aimed squarely at ensuring that scholar transport vehicles meet legal and safety requirements. Twelve officers took part in the operation, stopping and inspecting 86 vehicles, including

2 buses, 75 taxis and 7 SUVs. While many operators were found to be compliant, officers issued 13 summonses for offences such as failure to comply with permit conditions and Professional Driving Permit (PRDP) requirements. As a result, 10 vehicles were impounded on the spot – 2 buses, 5 taxis and 3 SUVs – after being deemed unfit or unlawful to transport learners. As schools remain in full swing, parents and communities are encouraged to remain vigilant and to report unsafe scholar transport practices. Because every school journey should begin – and end – safely.

Impounded vehicles lined up during the Safer Back to School operations in Waterberg and Capricorn Districts. Authorities reminded operators that learner safety is non-negotiable.

THABA FIRE AND RESCUE SE K9-EENHEID BLAF VOORUIT

Lede van Thaba Fire and Rescue tydens die eerste K9-opleidingsessie, waar honde aan rookreuke blootgestel word as deel van hul voorbereiding vir noodreddingsoperasies.

071 622 2702

Platinum Bushvelder koerant | Thabazimbi – Thaba Fire and Rescue het op Saterdag 24 Januarie 2026 'n belangrike nuwe hoofstuk in hul reddingsvermoëns afgeskop toe lede hul eerste honde-opleidingsessie bygewoon het. Die sessie volg kort op die aankondiging dat 'n K9-reddingsafdeling amptelik by die eenheid gevoeg is – 'n stap wat die organisasie se vermoë om vinnig en doeltreffend tydens noodsituasies op te tree, aansienlik versterk. Tydens die opleiding is die honde doeltreffend aan die reuk van rook blootgestel, 'n noodsaaklike vaardigheid vir toekomstige brand- en noodreddingsoperasies. Hierdie praktiese blootstelling help om die honde voor te berei om kalm, gefokus en effektief te werk in hoë-druk omgewings waar elke sekonde tel.

Volgens Thaba Fire and Rescue vorm hierdie sessie deel van fase een van 'n uitgebreide opleidingsprogram wat daarop gemik is om die eenheid se reddingsoperasies verder uit te bou. Die volgende opleidingsfase, wat sal fokus op spoorsny en die opsporing van vermiste persone, is geskeduleer vir 20 en 21 Februarie 2026. Intussen word die honde elke Dinsdag verder opgelei om hul vaardighede konsekwent te ontwikkel. Die gemeenskap het hul waardering uitgespreek vir hierdie betekenisvolle uitbreiding en wens Thaba Fire and Rescue alle sterkte toe met hierdie vooruitstrewende en lewensreddende inisiatief.

Die begin van 'n nuwe reddingshoofstuk: Thaba Fire and Rescue se K9-honde in opleiding as deel van die eenheid se uitbreidende noodreaksie-vermoë.

Benhard Janse van Rensburg, oud-Frikkie (matriek 2014) en huidige Premiership-speler, tydens sy inspirerende besoek aan Hoërskool Frikkie Meyer – 'n trotse terugkeer om die volgende geslag Frikkees te motiveer.

Benhard inspireer Frikkees

Platinum Bushvelder koerant | Thabazimbi – Leerders van Hoërskool Frikkie Meyer het Woensdag, 4 Februarie 2026, eerstehands inspirasie ontvang toe een van hul eie, oud-Frikkie Benhard Janse van Rensburg (matriek 2014), die skool besoek het om sy lewens- en rugbyreis met hulle te deel. Benhard, wat tans professionele rugby speel vir die Bristol Bears in die Engelse Premiership, het openhartig vertel hoe sukses selde 'n reguit, vooraf beplande pad volg. Met eerlikheid en nederigheid het hy beklemtoon dat die lewe jou soms op onverwagse draaie neem – en dat aanpasbaarheid, leerbaarheid en harde werk

dikwels die verskil maak tussen stilstand en groei. Sy boodskap aan leerders was duidelik en prakties: gee vandag reeds jou beste op skool. Jy weet nooit wanneer daardie ekstra bietjie kennis, vaardigheid of insig die sleutel kan wees wat 'n nuwe deur oopsluit nie. "Jy hoef nie altyd die 'regte pad' te volg om êrens uit te kom nie," het hy gesê, "maar jy móét bereid wees om elke dag in te sit." Dankie, Benhard, dat jy teruggekom het om in ons Frikkees te belê. Jou storie is 'n lewendige bewys dat harde werk steeds beloon word. Ons wens jou alle voorspoed toe met jou verdere rugbyreis! Eens 'n Frikkie, altyd 'n Frikkie!

PSALM 18:1-2

To the Chief Musician. A Psalm of David the servant of the LORD, who spoke to the LORD the words of this song on the day that the LORD delivered him from the hand of all his enemies and from the hand of Saul. And he said: I will love You, O LORD, my strength. The LORD is my rock and my fortress and my deliverer; My God, my strength, in whom I will trust; My shield and the horn of my salvation, my stronghold.

Did you know?

ARRESTED, RELEASED, REPEATED... In South Africa, police make about 1.1 million arrests a year – roughly 3,000 a day. Yet only a fraction end in jail: around 37 % of the national prison population are awaiting trial, not convicted. Court delays are real – recent reports show that the criminal case backlog reduction target was only about 43 % achieved, meaning many cases still wait in the system. Many arrested people are released on bail or warning while courts take months or years to conclude matters.
