Because a **STOP SIGN** only works if it's actually there.

Another stop sign stolen, the pole left standing as a stark reminder of ongoing vandalism. If you witness theft or damage to road signs, report it to TLM's traffic signs section on 083 687 1883 or contact your nearest police station.

Platinum Bushvelder newspaper | Thabazimbi – STOP means stop. It does not mean “souvenir,” “decoration,” or “something to steal for fun.”

On 24 February 2026, a concerned resident contacted *Platinum Bushvelder* about several missing stop signs along Steenbok Street. The resident warned that the situation is dangerous — especially for motorists unfamiliar with the area who may not realise they are approaching a stop intersection. After conducting our own inspection, we discovered the problem is far worse than a single missing sign. The T-junction at Hibiscus and Steenbok Streets, the four-way stop at Duiker and Steenbok Streets, and the four-way stop at Hamerkop and Steenbok Streets are all missing stop signs. In some instances, even the poles have been removed. Several intersections also lack clearly painted stop lines on the road surface.

This is not mischief. This is reckless stupidity.

Stealing a stop sign is not clever. It is not funny. It puts lives at risk — your neighbours, your friends, your own family members. One moment of “fun” could cost someone their life. The Thabazimbi Local Municipality (TLM) confirmed that it is aware of the missing stop signs at the Hamerkop and Steenbok four-way stop, as well as along Steenbok Street and at the T-junctions at Rooibok, Hibiscus and Krisant Streets. According to the municipality, road-marking paint has been received and repainting of stop lines at affected intersections will begin shortly. However, TLM is currently awaiting delivery of new stop signs, as there is no stock available. Once delivered, installation at identified intersections will be prioritised.

But here's the bigger issue: every stolen sign costs money — YOUR money. Replacing vandalised infrastructure comes directly from ratepayers' pockets. Funds that could be used to improve service delivery are instead diverted to fixing damage caused by a handful of irresponsible individuals. Community cooperation is essential. Protecting municipal infrastructure is everyone's responsibility.

If you see vandalism or theft of stop signs, PLEASE report it to TLM's traffic signs section on 083 687 1883 or contact your nearest police station.

STOP stealing stop signs.

ELLIS CASE POSTPONED

Platinum Bushvelder newspaper | Thabazimbi – The firearm negligence case against a local father has been postponed for a third time.

Johannes Daniel Ellis, 43, appeared before the Thaba Magistrates' Court on 18 February 2026, where the matter was postponed to 30 April 2026 to allow for further investigation. Ellis remains out on R3,000 bail.

The charge stems from a devastating incident that occurred on 11 October 2025 on a farm outside Thabazimbi. On that day, Ellis' son, who was 11 years old at the time, reportedly set out to hunt guinea fowls when a firearm was discharged, fatally wounding a farm worker. Authorities described the incident as a tragic accident.

Ellis first appeared in court on 13 October 2025, where he was formally charged with firearm negligence. The case was initially postponed to 12 December 2025 for further investigation. On that date, the matter was again postponed to 18 February 2026. At his latest court appearance on 18 February, the case was postponed for a third time, with proceedings now set to resume on 30 April 2026.

From the outset, police have indicated that the incident involved a minor and have emphasised the sensitive nature of the matter. No charges have been brought against the child.

The tragedy has left a deep mark on the local farming community. A worker lost his life, a family continues to mourn, and a young boy must live with the emotional consequences of an event that has altered many lives. Authorities have once again reiterated the importance of responsible firearm ownership, reminding gun owners that firearms must be securely stored and kept out of reach of children at all times.

TRAGEDY ON THE R510

Platinum Bushvelder newspaper | Thabazimbi – A tragic motor vehicle accident occurred on the R510 Thabazimbi/ Lephallale Road. At approximately 15:25 on Friday, 20 February 2026, Wildmed Emergency Services responded to reports of a serious collision along the busy regional route connecting Thabazimbi and Lephallale.

On arrival, emergency personnel found one patient in critical condition. Cardiopulmonary resuscitation (CPR) was already in progress when paramedics reached the scene. Wildmed's medical team immediately continued with advanced life support interventions, working tirelessly alongside other first responders in an effort to stabilise the patient. Despite the coordinated and determined efforts of all emergency crews present, the patient was tragically declared deceased at the scene.

The incident drew a strong multi-agency response, with assistance from Eagle Trauma Rescue, Thabazimbi Provincial EMS, Waterberg District Fire and Rescue Services, Thabazimbi SAPS, Thabazimbi Municipal Traffic Department, and Thabazimbi Fire

and Rescue. Authorities worked efficiently to secure the scene and manage traffic flow while emergency care was administered. Wildmed Emergency Services extended heartfelt condolences to the family, friends, and loved ones affected by the devastating loss.

FOLLOWED TO HIS DEATH Uber driver killed in early-morning attack

Platinum Bushvelder newspaper | Thabazimbi, Regorogile – A 30-year-old man has been arrested after a 41-year-old Uber driver was fatally stabbed in Regorogile in the early hours of Sunday, 22 February 2026.

According to Limpopo police spokesperson colonel Malesela Ledwaba, the incident occurred at about 01:25 in the Thabazimbi policing area. The victim had reportedly received a request from a community member to transport a client from Regorogile to town. Police say that upon arriving at a four-way stop in Regorogile, the driver was allegedly followed by a silver Hyundai. The occupants of the vehicle reportedly confronted and assaulted him, stabbing him multiple times in the upper body with a sharp object.

He was rushed to a local hospital but was declared dead on arrival. A murder case was opened, and following investigations, police arrested a 30-year-old suspect later that morning at around 06:30 in Regorogile. The suspect is believed to be the owner of the vehicle allegedly used in the attack. He appeared before the Thabazimbi Magistrate's Court on Tuesday, 24 February 2026. Investigations are ongoing.

We convey our condolences to the family of the deceased.

Tilting Toward Trouble

STORM-DAMAGED POWER POLE STILL THREATENS THABAZIMBI SCHOOL AND COMMUNITY

Platinum Bushvelder newspaper | Thabazimbi – Residents of Thabazimbi are once again raising concerns about a damaged electricity pole in Warmbad Weg, opposite Thaba Square shopping centre and directly in front of SmartBrain Kids school, after it began tilting despite a temporary repair.

The pole, which carries a KVA box and supplies electricity to part of the town, fell during the severe storm that hit Thabazimbi on 1 January 2026. The storm caused widespread damage and left large parts of the community without electricity.

At the time, Thabazimbi Local Municipality (TLM) implemented a temporary solution by positioning a second support pole next to the fallen structure and securing the damaged pole to it. The understanding was that the pole would be permanently repaired by 23 January 2026.

However, by 24 February 2026, when Platinum Bushvelder revisited the site, the situation remained unresolved. Community members report that the pole is now visibly leaning again, creating renewed fears that it may collapse. The concern is heightened by the fact that:

- The pole carries a KVA box.
- It is situated directly in front of a school.
- It supplies electricity to a significant section of the Thabazimbi area.

The TLM Technical Services Directorate – Electrical Services confirmed that they are aware of the situation. In response to enquiries, TLM stated: "We are aware of the situation and are currently awaiting the arrival of a crane truck and the services of a compactor machine to properly reposition the affected equipment."

Dagga seized in Thabazimbi CBD

The dagga seized.

Platinum Bushvelder newspaper | Thabazimbi – Two men have been arrested for possession of dagga following police operations in the Thabazimbi CBD and surrounding areas. Members of the Waterberg District, together with SAPS Thabazimbi Visible Policing, conducted tactical operations on Saturday, 21 February 2026, after acting on information received.

According to colonel Malesela Ledwaba, a 25-year-old man was arrested at a salon in the CBD after being found in possession of dagga with an estimated street value of R600. In a separate incident elsewhere in town, a 23-year-old man was also arrested for possession of dagga valued at approximately R500.

The suspects appeared before the Thabazimbi Magistrates' Court on Monday, 23 February 2026. Police investigations are ongoing.

HAVE YOUR SAY

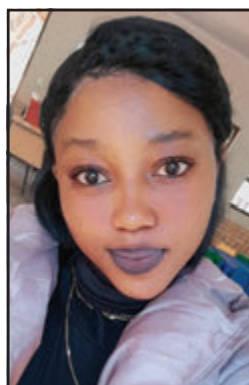

Looking back, would you choose to get the COVID-19 vaccine?

With time to reflect on the pandemic and its impact, many people have reconsidered the decisions they made — or didn't make. Knowing what you know now, would you still roll up your sleeve? Share your perspective and why you feel that way.

“Yes. I'm not a medical expert, so I rely on guidance from respected research institutions like Harvard, Johns Hopkins and Oxford. Based on expert advice, I believe vaccination was the responsible choice.”

James Breedt, Thabazimbi

“Yes. The vaccine reduced severe illness and hospitalisation. While side effects occurred, they were generally mild compared to COVID-19. It also helped protect vulnerable people and ease pressure on healthcare systems.”

Otshepeng Maropola, Thabazimbi

REPTILES NEVER TRULY STOP GROWING...

Many reptiles continue growing throughout their lives – a process called indeterminate growth.

Unlike humans, animals such as crocodiles, turtles, and snakes don't have a fixed adult size. Instead, they grow more slowly as they age. However, reptiles cannot grow forever. In the wild, most die from disease, injury, or predators long before reaching extreme sizes.
