# ANOTHER DEADLY CRASH ON THE R510

The scene of Wednesday afternoon's fatal collision on the R510 outside Amandelbult.

**Platinum Bushvelder newspaper | Thabazimbi** – Two people lost their lives and another was injured in a tragic motor vehicle accident on the R510 just outside Amandelbult on Wednesday afternoon, 25 February 2026. Emergency services were alerted to the incident at approximately 14:00 and arrived on the scene just minutes later. The collision occurred after the 'koppies' outside Amandelbult and involved six individuals, including the driver of a bus. According to emergency responders, the occupants of a Toyota Corolla were the most severely affected. Two of the passengers in the vehicle were declared deceased at the

scene. A third occupant sustained minor injuries and was transported to a nearby hospital for further medical treatment. The remaining three individuals involved in the crash, including the bus driver, reported no injuries and did not require medical evaluation. The incident was attended to by emergency and support services, including Limpopo Traffic, Thabazimbi SAPS, a state trauma vehicle, a government medic vehicle, a state ambulance, Netcare 911, Amandelbult Fire and Rescue, Northam Fire and Rescue, and Thaba Fire and Rescue. Firefighters from Thaba Fire and Rescue worked to extract the casualties from the wreckage.

P&K Towing and Rescue also assisted on site. Forensic Pathology Services from Bela-Bela processed the scene. The roadway was reopened to traffic at about 19:00 once emergency operations and investigations had been completed. Authorities have confirmed that investigations into the cause of the accident are ongoing. The latest tragedy once again highlights the dangers along the R510, a road that has seen multiple serious accidents in recent years, and serves as a stark reminder to motorists to remain vigilant and responsible behind the wheel.

### Why is the R510 particularly dangerous?

The R510 has gained a reputation as one of the most dangerous roads in Waterberg. Upgrades that started in 2022 stalled in 2024 when the contractor abandoned the project, leaving narrow lanes and no shoulders on a route heavily used by mining traffic and buses between Thabazimbi, Amandelbult and Northam. Residents have repeatedly urged SANRAL to complete the widening project to improve safety.

### Recent fatalities on the R510

The R510 has seen several fatal accidents in recent months. Earlier this year, on 22 January 2026, one driver died in a head-on collision with a bus transporting schoolchildren. In another incident on 31 August 2025, two people lost their lives in a head-on crash, again highlighting the dangers along this stretch of road. The R510 has increasingly been labelled "the road of death" by residents after a series of serious accidents in recent years.

Members of SAPS, veterinarians, Spitskop Rural Safety and Zimbi Security during a joint Foot-and-Mouth Disease awareness and rural safety operation at the Lephalale Alma T-Junction near Thabazimbi on 26 February.

# Stopping the Spread

**THABAZIMBI TEAMS UP TO HELP STOP FOOT-AND-MOUTH DISEASE**

*Platinum Bushvelder newspaper | Thabazimbi*

A coordinated rural safety operation near Thabazimbi recently highlighted the importance of community partnerships in protecting South Africa's livestock industry as the country continues to battle the spread of Foot-and-Mouth Disease (FMD).

On Thursday 26 February 2026, members of the Spitskop Rural Safety (SRS) team, together with law enforcement, veterinary officials and private security, conducted a joint awareness and enforcement operation at the Lephalale Alma T-Junction from 18:00 to 21:00. The operation focused on raising awareness about FMD while also monitoring road traffic violations and checking for the illegal movement of livestock, animal products, illicit goods and illegal firearms. The initiative brought together several local role players committed to rural safety and animal health. Deployment included three SAPS members, two veterinarians, ten Spitskop Rural Safety members and three Zimbi Security officers.

Supporting the teams on the ground were two SAPS vehicles, ten SRS private vehicles, two veterinarian vehicles and two Zimbi Security vehicles.

During the evening operation, officials set up a Vehicle Control Point (VCP) at the busy junction. A total of 65 vehicles were stopped and searched, with 110 individuals checked during the operation. Each vehicle was sprayed with disinfectant as a precautionary measure to help prevent the spread of FMD.

EcoVet played an important role during the operation, spraying approximately 400 litres of disinfectant as part of the efforts to prevent the spread of Foot-and-Mouth Disease.

Officials also distributed 65 Foot-and-Mouth Disease awareness leaflets, helping motorists and farmers understand the risks of the disease and the importance of complying with livestock movement regulations. Three road traffic fines were issued.

**A national fight against FMD**

Foot-and-Mouth Disease is a highly contagious viral disease that affects cloven-hoofed animals such as cattle, sheep, goats and pigs, and outbreaks can have severe economic

consequences for farmers and the livestock industry. South Africa has experienced one of its most challenging FMD outbreaks in recent years, with cases reported in several provinces, including Limpopo. Movement controls, surveillance programmes and vaccination campaigns have been implemented across the country to limit the spread of the disease. In Limpopo, veterinary authorities have increased monitoring and introduced stricter movement controls after confirmed cases were reported in the province, including within the Waterberg district earlier this year.

# R510 accident streak raises fresh safety concerns

*Platinum Bushvelder newspaper* – A string of motor vehicle accidents along the R510 between the R511 junction and the Vaalwater T-junction has once again highlighted safety concerns on this busy regional route, after three separate incidents were reported within the space of a week.

**Wednesday, 25 February 2026**

At approximately 19:00, a vehicle overturned on the R510 (Lephalale Road) in the direction of the Vaalwater T-junction. The scene was attended by P&K Towing.

**Saturday, 28 February 2026**

Just days later, at around 22:00, another vehicle overturned on the same stretch of the R510 (Lephalale Road). Two passengers sustained injuries in the crash. Emergency services responding to the scene included the Thabazimbi Police, state ambulance services and P&K Towing.

Emergency services responded to another vehicle rollover on the R510 late on Saturday night.

**Sunday, 1 March 2026**

At approximately 11:00 on Sunday morning, a head-on collision occurred on the R510 near the Crocodile River Bridge, close to the R511 T-junction. Emergency services responding to the scene included the Thabazimbi Police, state ambulance services and P&K Towing.

Authorities have urged motorists to remain cautious when travelling along the R510, particularly near major junctions and bridges, as investigations into the causes of the incidents continue. The recent series of accidents once again underscores ongoing concerns about safety along this busy regional route.

## Would you tell someone if they had something stuck in their teeth?

Noticing someone has food stuck in their teeth can be awkward. Do you quietly let it go to avoid embarrassment, or politely point it out to spare them from a bigger moment later? Is it considerate to speak up — or kinder to stay silent? Tell us what you'd do.

“I would quietly whisper that something is stuck in their teeth. It's better they know sooner than later and avoid the embarrassment of others noticing or laughing.”  
**Riana Bekker, Thabazimbi**

“I would gently tell them in private. It's about protecting their dignity — kindness and ubuntu mean looking out for one another, even in small, potentially embarrassing moments.”

**SOUTH AFRICA'S PETROL HIT A RECORD IN 2022...** South Africa's highest petrol price was recorded in July 2022, when inland 95-octane petrol reached about R26.31 per litre – the most expensive in the country's history. The spike happened during the global energy crisis after the Russian invasion of Ukraine, which pushed international oil prices sharply higher. Because South Africa imports most of its oil and pays in US dollars, global conflicts can quickly raise local fuel prices. With new tensions and wars affecting energy markets today, many drivers hope fuel prices will not rise to record levels again.

# 62ste Bosveld Interhoër 2026: Frikkie laat dit tel!

**Platinum Bushvelder | Thabazimbi** – Die 62ste Bosveld Interhoër, wat vanjaar deur Hoërskool Ellisras aangebied is, het op Saterdag 28 Februarie 2026 duisende ondersteuners, atlete en sangers gelok vir 'n dag vol kompetisie, geesdrif en Bosveld-trots. Tussen die sewe deelnemende skole het Hoërskool Frikkie Meyer (HFM) weer eens bewys waarom hul naam sinoniem is met deurstellingsvermoë en spanwerk. Die Frikkies se dag het reeds 03:15 die oggend begin toe busse vol atlete, sangers, dirigente en personeel vertrek het – almal gereed om hul beste te gee vir rooi, wit en blou. Die kompetisie was straf. Punte is deur die dag elke twee tot drie ure opgedateer, wat vir groot spanning langs die baan én in die pawiljoen gesorg het. Tog het HFM-leerders deurentyd gewys wat ware karakter en Frikkiehart beteken.

Groot Totaal, Beste Seuns Totaal en Beste Dogters Totaal gewen. Frikkie Meyer het egter hul stempel afgedruk deur die Senior Dogters-titel te wen, terwyl hulle ook sterk tweede plekke in verskeie afdelings behaal het. Die Prestasie Trofee is vanjaar aan Hans Strijdom toegeken. Volgens HFM se atletiekorganiseerder, Thinus Pienaar, gaan Interhoër oor baie meer as net uitslae. “Dis nie die wen of verloor wat karakter bou of karakter wys nie, maar die hóé in die wen of verloor. Dit is die hóé wat boekdele spreek.”

**Pawiljoen brand van gees**  
Terwyl die atlete op die baan geveg het, het die pawiljoen gesing, geskree en gedans. Sangers het hul harte uitgesing en dirigente het met passie en energie die skare aangevuur – dikwels tot hoendervleis-oomblikke wat die hele stadion laat sidder het. In die kultuurafdelings het Nylstroom ook hul merk gemaak deur beide die Interhoër Sang en Dirigente-kompetisie te wen. Hoofdogter Ané Coetzee het haar trots oor haar mede-Frikkies uitgespreek: “Julle het nie net gesing nie, julle het geglo – en dit het gewys.”

**Enheid wat uitstaan**  
Die dag se sukses was nie net te danke aan die leerders nie. 'n Spesiale woord van dank is gerig aan Me Boshoff en die personeel van Hoërskool Frikkie Meyer vir hul deeglike voorbereiding en organisasie. Wat egter die sterkste uitgestaan het, was die eenheid onder die Frikkies – op die baan, in die pawiljoen en langs die veld.

**Frikkies wys hul staal**  
Op die baan en veld het Frikkie Meyer sterk presteer en altesaam 158 plekke behaal:

- 23 eerste plekke
- 26 tweede plekke
- 27 derde plekke
- 25 vierde plekke
- 20 vyfde plekke
- 22 sesde plekke
- 15 sewende plekke

'n Groot hoogtepunt van die dag was Zian van Dyk, wat 'n nuwe Bosveld Interhoër-rekord in spiesgooi opgestel het met 'n indrukwekkende afstand van 57.30 meter. In die amptelike trofee het Nylstroom die meeste titels ingepalm en onder meer die
