Illegal Mining Under Fire as Hawks Arrest Five in Thabazimbi

Platinum Bushvelder newspaper | Thabazimbi – Illegal mining is often seen as a crime that happens behind closed gates and in remote areas, but its impact reaches every South African. It robs the country of valuable mineral wealth, damages the environment, deprives government of much-needed revenue, and is frequently linked to organised crime.

In the latest crackdown, the Directorate for Priority Crime Investigation (Hawks) arrested five suspects during an operation targeting an alleged illegal chrome mining site in the Thabazimbi policing area.

According to Hawks spokesperson colonel Avele Fumba, the suspects, aged between 43 and 50, were arrested during a coordinated operation led by the Limpopo Serious Organised Crime Investigation team, working alongside Thabazimbi SAPS, Hoopdal SAPS, Dwaalboom SAPS, the Thabazimbi Local Criminal Record Centre (LCRC), and officials from the Department of Mineral and Petroleum Resources (DMPR). The arrests followed an ongoing investigation into allegations of illegal chrome mining.

Acting on information received and after the site was verified by the relevant authorities, the multidisciplinary team carried out a disruptive operation at the property. Preliminary investigations allegedly revealed that mining activities were conducted in contravention of South Africa's mining and environmental legislation. The five suspects have been charged with alleged illegal mining, as well as contravening Section 24F(1) of the National

Environmental Management Act (Act 107 of 1998), which relates to undertaking listed activities without the required environmental authorisation. They appeared in the Thabazimbi Magistrate's Court on Tuesday, 14 July 2026. Provincial head of the Hawks in Limpopo, major general (Adv.) Gopz Govender, praised the joint efforts of the various law enforcement agencies and government departments involved.

IT TAKES ONE SPARK

A massive veld fire swept through the Spitskop/ Kwaggasvlakte area on Friday 10 July 2026, threatening to spread towards the Shooting Range before emergency crews brought it under control. With the fire ban already in effect since 1 July, residents are urged to report any smoke or fires immediately and remain vigilant throughout the dry winter months.

Rapid Response Prevents Major Veld Fire Disaster

The scorched veld left behind after firefighters successfully contained the blaze, preventing it from spreading even further.

Platinum Bushvelder newspaper | Thabazimbi – With the 2026 fire season now in full swing, emergency services are urging residents to remain vigilant and strictly observe the fire ban that has been in effect since 1 July 2026.

On 10 July 2026, a large veld fire broke out in the Spitskop/ Kwaggasvlakte area before rapidly spreading towards the Shooting Range. Aerial footage captured during the incident showed just how quickly the blaze grew as dry winter conditions fuelled the flames.

Thanks to the swift, coordinated response of Thaba Fire and Rescue, the Thabazimbi Local Municipality Water District, and Numzaan Safaris, the fire was successfully contained and extinguished before it could spread further and threaten additional properties, wildlife and infrastructure. The incident serves as a timely reminder of how dangerous the current fire conditions are. During the dry winter months, even a single spark or unattended fire can spread within minutes, placing homes, farms, livestock, wildlife and human lives at serious risk.

Residents are reminded that the fire ban remains in force and that no open fires may be lit unless specifically permitted by the relevant authorities. Everyone has a role to play in protecting the community by following fire safety regulations and reporting any signs of smoke or fire immediately.

If you see smoke or a veld fire, report it without delay. Early reporting allows emergency crews to respond before a small fire becomes a major disaster. Every second counts.

The police recovered an unlicensed 9mm pistol with its serial number removed, ammunition and a cellphone reported stolen during a house robbery.

Cellphone clue leads to gun bust

Platinum Bushvelder newspaper | Northam – A joint intelligence-driven operation by the police has led to the recovery of an unlicensed firearm, ammunition and a cellphone stolen during a house robbery, with a suspect now on the run.

According to Limpopo police spokesperson colonel Malesela Ledwaba, the operation was conducted by members of the Northam Detectives and the Rustenburg Trio Task Team after investigators followed up on crucial leads. The breakthrough came after a cellphone believed to belong to one of the robbery suspects was recovered and handed over to police.

The investigation led officers to Sunrise Park in Rustenburg, where information extracted from the recovered cellphone helped identify its owner. Police then proceeded to an address in Extension E5. As officers arrived, a man emerged from one of the rooms and fled on foot after noticing the police. He was positively identified as the owner of the recovered cellphone, but managed to evade arrest. A search of the room uncovered an unlicensed 9mm pistol with its serial number removed, four rounds of 9mm ammunition, and a cellphone that had been reported stolen during the house robbery.

The firearm and ammunition were handed over to Boitekong SAPS for forensic processing, while the stolen cellphone and recovered cash were booked into evidence at Northam SAPS. Police have since launched a manhunt for the suspect and say investigations are continuing. Additional charges, including possession of an unlicensed firearm and ammunition, as well as possession of suspected stolen property, are also being investigated.

Anyone with information that could assist police in locating the suspect is urged to contact the investigating officer, sergeant Fortune Madisa, on 073 975 2022, call the Crime Stop number on 08600 10111, visit the nearest police station, or submit information anonymously through the MySAPS App.

Another Tragic Morning on the R510

Platinum Bushvelder newspaper | Thabazimbi – A fatal collision on the R510 claimed the life of one person on Saturday morning, 11 June 2026, adding to growing concerns over the increasing number of serious road accidents in the region. The crash occurred approximately 07:20 and involved a Renault Clio and a tipper truck. The driver of the Renault, who was the vehicle's sole occupant, sustained fatal injuries and was declared dead at the scene. Fortunately, no other injuries were reported. The cause of the collision has not yet been determined and remains under investigation. The R510 was closed shortly before 09:00 to allow forensic investigators to examine the scene. At approximately 10:30, one lane was reopened to traffic while emergency personnel continued clearing the wreckage. The road was fully reopened at around 14:20. A coordinated response was mounted by Amandelbult Fire and Rescue, TLM Waterberg District Fire Services, SAPS Thabazimbi, the Thabazimbi Traffic Department, Car Towing Services Rustenburg, and P&K Towing and Recovery. We extend our heartfelt condolences to the family and loved ones of the deceased.

The Renault Clio came to rest on its roof after the devastating collision on the R510 that claimed the life of its sole occupant.

Thabazimbi teen writes her way into readers' hearts

Platinum Bushvelder newspaper | Thabazimbi – Seventeen-year-old Boitumelo Moraka is showing that passion, perseverance and purpose can achieve remarkable things at any age. The Grade 11 learner at Hoërskool Frikkie Meyer recently celebrated the launch and signing of her second novel, *UNONA*, during a special event at the Bioskoop Hall in Thabazimbi on Saturday 27 June 2026.

The young author first introduced herself to readers in July 2025 with her debut novel, *Who Is She*, which explores themes of resilience, self-discovery and overcoming adversity. Her latest book, *UNONA*, continues that journey, tackling important social issues while encouraging readers to embrace hope, healing and courage.

For Boitumelo, writing began as a deeply personal outlet. Following the passing of her father, Jacob Moraka, she found comfort in writing letters to express her emotions and keep his memory alive. At the age of 14, she discovered her natural talent for writing essays, and with the encouragement of her mother, Maria Moraka, she decided to pursue her dream of becoming an author. Despite balancing

the demands of school and everyday life, Boitumelo completed *Who Is She* in just six months and *UNONA* in about five months. She says the experience strengthened her discipline, patience and time-management skills. Both novels carry a powerful message that circumstances do not determine a person's future. Through her stories, Boitumelo hopes to remind readers that there is always an opportunity to overcome adversity and build a brighter tomorrow.

"The message I want readers to take away is that their story is not over. Pain does not define who you are, and there is always hope, healing and an opportunity to rise above every challenge," she said.

Beyond writing, Boitumelo is also the founder of JNM Royal House, a platform that empowers young people through creativity, storytelling and meaningful opportunities. Supported by her mother, the initiative aims to give young voices a platform where they can grow, express themselves and be celebrated. She says one of the greatest rewards of being an author is hearing from readers whose lives have been positively impacted by her books, especially those who say her stories have inspired them to keep believing in themselves.

Looking ahead, Boitumelo hopes to continue publishing books that inspire, educate and uplift readers across South Africa and beyond, while expanding JNM Royal House to empower even more young people.

Her advice to aspiring young writers is heartfelt: "Never wait for the perfect time to turn your dream into reality. Believe in yourself, keep learning and trust your journey."

Those interested in supporting Boitumelo or learning more about her books can contact JNM Royal House on 066 423 0705 or 083 249 7846, or email jnmroyalhouse@gmail.com.

Community Encouraged to Report Sexual Abuse

Platinum Bushvelder newspaper | Thabazimbi – A Thabazimbi man recently appeared in court on a charge of alleged sexual assault involving a 13-year-old girl.

The matter was postponed to 7 August 2026, and the accused remains out on bail while the case proceeds through the courts.

The case has sparked concern within the community, with residents encouraging anyone who may have information relevant to the investigation, or who may have been the victim of a similar alleged offence, to report it to the South African Police Service.

As the matter involves a minor, the newspaper cannot publish any information that could directly or indirectly identify the complainant or compromise the legal process.

ATKV Thabazimbi maak harte warm met Bingo, Braai én gemeenskapsgees

Platinum Bushvelder koerant | Thabazimbi – Vir die afgelope 13 jaar bring ATKV Thabazimbi nie net kos na die tafel nie, maar ook vreugde, vriendskap en 'n gevoel van tuis-koms vir plaaslike bejaardes. Die organisasie het op Vrydag 3 Julie 2026 weer hul jaarlikse “Bingo en Braai”-projek aangebied – ‘n geliefde tradisie wat die bejaardes met oop arms verwelkom het vir ‘n dag vol pret, lag en goeie geselskap.

Die gaste het die oggend geniet terwyl hulle bingo gespeel en meegeding het om pryse soos sjokolades, koeldranke, skyfies en pette. Ná die speletjies is almal bederf met ‘n heerlike braai-ete van sosatiewors, mieliepap en sous, koolslaai en ‘n koeldrank. Volgens Linda Grobler, sekretaris van ATKV Thabazimbi en projektekoördineerder, het die projek oor die jare veel meer as net ‘n geleentheid geword. “Die bekende gesigte wat ons jaar na jaar sien, voel vir ons soos familie. Dit is vir ons ‘n voorreg om hierdie dag saam met hulle te kan deel.” Sy het verduidelik dat bejaardes wat weens siekte of ander omstandighede nie die geleentheid kon bywoon nie, ook nie vergeet is nie. Kosblikke is spesiaal voorberei en afgelewer om te verseker dat niemand uitgesluit voel nie. Grobler het haar opregte dank uitgespreek teenoor die ATKV-lede en vrywilligers wat gehelp

Do you think you should pay to use the sun's energy?

POLL

More South Africans are installing solar to reduce rising electricity costs. While sunlight is free, some municipalities charge fixed network or service fees for grid-connected solar systems. Do you think this is fair, or should homeowners pay nothing for using the sun's energy?

Include the following:

- **Your answer:** Yes or No

- **A recent photo** – We'd love to publish your pic alongside your answer!
- **Your town/city**
- **Deadline** – Be sure to send your response before 12:00 on Monday, 20 July 2026.

Vote results: The outcome of the poll will be featured in our next issue. Be a part of our community's story! **P.S.:** Don't forget, you can also voice your opinion on our Facebook post about this topic. Join the conversation!

In South Africa, there is no tax on sunlight and no law that charges you simply for using the sun's energy. However, if your home remains connected to the municipal electricity grid, you may still have to pay fixed network or service charges – even if your solar panels generate most of your electricity. These charges vary between municipalities and help fund the maintenance of the electricity network. So, while sunshine is free, staying connected to the grid often isn't. So, while the government can't tax the sun itself, many South Africans are asking whether paying monthly fees despite generating their own electricity feels like paying for sunshine...

Northam Rhinos Stampede to Five Consecutive Victories!

The Northam Rhinos second team celebrated after another outstanding victory, defeating Wits Rugby Club 59-10 in the Golden Lions Grand Challenge Liga.

Platinum Bushvelder newspaper | Northam – The Northam Rhinos Rugby Club enjoyed an unforgettable weekend of rugby, recording five amazing victories across two competitions and underlining the club's impressive form heading into another busy week. The action kicked off on Friday, 10 July 2026, when the Rhinos travelled to Bela-Bela for their Waterberg Liga fixtures against Kwaggas Rugby Club. The first team delivered another commanding performance, securing an 81-12 victory, while the second team completely dominated their opponents with an incredible 106-0 win. The momentum continued on Saturday, 11 July, as the club travelled to Wits Rugby Club for Golden Lions Grand Challenge Liga fixtures. Once again, every Rhinos side proved too strong for the opposition. The first team claimed a convincing 55-10 victory, the second team followed with a 59-10 win, and the third team completed a clean sweep by overpowering Wits 78-0. The outstanding results capped off a remarkable weekend for the club, with all five teams returning home victorious and showcasing the depth, skill and determination that continue to make Northam Rhinos a formidable force on the rugby field.

A Song of Hope: Ramokokastad Choir seeks community support

Platinum Bushvelder newspaper | Ramokokastad – A gospel choir from Phadi Village near Ramokokastad is appealing to local businesses and community members to help them take the next step in their journey by sponsoring matching golf shirts for their growing team of young singers. Kopano Ya Rona Gospel Choir (KYRGC) was established in 2024 and officially registered as a non-profit organisation in 2025. Since then, the choir has grown to 27 members and has become a source of encouragement, faith and belonging for many young people in the community. Founded with the vision of uniting people through gospel music, faith and culture, the choir provides a safe and positive space where young people can spend their time after school while developing discipline, teamwork and leadership skills. Director and founder, Paul Makgamathe, says the choir's mission is to glorify God through music while inspiring communities and transforming lives. "KYRGC is more than a choir; we are a family built on unity, faith and hope. With the right support, we can take our gospel to every corner of the North West Province and show young people that there is power in purpose," he said. The choir hopes to receive sponsorship for 25 matching forest green golf shirts with gold accents. According to Makgamathe, the uniforms will create a sense of unity and pride while giving the choir a professional appearance at performances and competitions. "Forest green represents life, growth and hope," he explained. "Just as a tree grows strong roots, we want our choir to grow on a solid foundation of faith."

Funding remains the choir's biggest challenge, as many members and their families cannot afford uniforms. Without matching attire, the group believes they miss valuable opportunities to perform at larger events. Beyond uniforms, the choir also welcomes support in any form, including administrative items such as an official choir stamp, which is needed when applying for funding opportunities. Sponsors will receive recognition through the placement of their logo on the choir's shirts, promotion on social media, acknowledgements during performances and a certificate of appreciation. Looking ahead, KYRGC hopes to perform at more than five major events over the next year, record and release its first album, and almost double its membership to more than 50 singers. **Local businesses and individuals who would like to support the choir can contact Paul on 071 669 8091.**

Van Frikkie tot Engelse toetsspeler!

Platinum Bushvelder koerant | Thabazimbi – "Eens 'n Frikkie, altyd 'n Frikkie!" Dié bekende woorde het die afgelope naweek nuwe betekenis gekry toe oud-Hoërskool Frikkie Meyer-leerder Benhard Janse van Rensburg sy amptelike toetsdebuut vir Engeland gemaak het – én sy eerste internasionale drie gedruk het. Die voormalige Frikkie het Saterdag, 11 Julie 2026, van die bank af op die veld gekom in Engeland se oorheersende 73-8-oorwinning oor Fidji in die Nations Championship in Liverpool. Benhard was een van drie spelers wat hul toetsdebuut gemaak het en het sy kans ten volle aangegryp deur 'n drie aan te teken in 'n vertoning wat wêreldwyd aandag getrek het. Benhard het sy rugbyloopbaan in Suid-Afrika opgebou voordat hy in 2021 na Engeland verhuis het om by London Irish aan te sluit. Ná die klub se sluiting het hy by Bristol Bears aangesluit, waar hy hom as een van die Engelse Premierliga se uitstaande senters gevestig het. Nadat hy vyf jaar onafgebroke in Engeland gewoon het, het hy op 8 Julie 2026 ingevolge World Rugby se verblyfreëls vir Engeland gekwalifiseer. Vir die Frikkie-familie is dit 'n besonderse oomblik. Benhard het reeds as leerder aan Hoërskool Frikkie Meyer sy rugbytalent gewys. Vandag dien sy reis van skoolrugby in Thabazimbi

tot internasionale toetsrugby vir Engeland as inspirasie vir jong sportlui wat droom om eendag op die wêreldverhoog uit te blink. **Platinum Bushvelder** het al voorheen oor Benhard se indrukwekkende rugbyloopbaan berig, en vandag is ons nóg trotser om hom geluk te wens met hierdie buitengewone prestasie. Baie geluk, Benhard! Jy bewys dat harde werk, deurstellingsvermoë en nederigheid groot drome kan laat waar word.

Voormalige Hoërskool Frikkie Meyer-leerder, Benhard Janse van Rensburg, het die afgelope naweek sy toetsdebuut vir Engeland gemaak en selfs 'n drie gedruk – 'n besondere mylpaal waarop sy skool en gemeenskap ongelooflik trots is.
