18 JAAR SE APIESDORING-PRET!

Platinum Bushvelder koerant | Thabazimbi – Party het per motor gekom, ander het sommer ingevlieg! Met byna 30 vliegtuie, hope familiepret, lekker kos en musiek onder die bome het die Apiesdoring Karnaval op Saterdag 8 Augustus 2026 behoorlik gewys hoe Thabazimbi feesvier.

Die karnaval, wat in 2008 begin het, het vanjaar weer talle inwoners en besoekers na die Nederduitsch Hervormde Kerk Vliegpoort gelok vir 'n dag propvol Bosveldpret. Daar was iets vir oud en jonk. Besoekers kon onder meer kleiskiet en kettieskiet aanpak, deur die spookhuis waag, tussen die stalletjies rondkuier en heerlike kos geniet, terwyl die jongspan hulself behoorlik kon uitleef met verskeie kinderaktiwiteite en treinritte. 'n Besondere toevoeging vanjaar was gratis WiFi wat deur IZWI beskikbaar gestel is, sodat feesgangers selfs tussen al die pret maklik aanlyn kon bly.

En natuurlik sou 'n karnaval by die Vliegpoort nie dieselfde wees sonder vliegtuie nie! Na raming het byna 30 vliegtuie deur die loop van die dag by die vliegveld aangekom – 'n besonderse gesig wat heelwat belangstelling onder feesgangers gewek het. Musiek het verder tot die feestelike atmosfeer bygedra, met kunstenaars soos Bernice en Riaan Benadé wat die verhoog betree het terwyl besoekers heerlik onder die koelte van die bome ontspan en saamgekuier het.

Vir baie plaaslike inwoners is die Apiesdoring Karnaval lankal meer as net nog 'n fees – dit het 'n familietradisie geword. Die groot verskeidenheid aktiwiteite en die bekostigbaarheid daarvan maak dit 'n dag waar die hele gesin saam kan kom, kuier en iets kan vind om te geniet.

Agtien jaar later klop die hart van Apiesdoring steeds sterk – met Bosveldgasvryheid, gemeenskapsgees en sommer net lekker saamkuier!

Violence erupts in Northam: 16 Arrested

Platinum Bushvelder newspaper | Northam – Sixteen people have been arrested following violence, looting and damage to property allegedly linked to an anti-foreigner march in Northam on Friday, 31 July 2026.

According to Limpopo police spokesperson colonel Malesela Ledwaba, the violence erupted while SAPS members were conducting a community awareness campaign at RDP Block 7. A group allegedly attacked

people attending the campaign, leaving three community members assaulted and two vehicles damaged – one belonging to the Northam station commander and another to a foreign national shop owner.

The group allegedly moved on to a foreign-owned spaza shop, where groceries and other goods, including a refrigerator, were looted. The shop owner’s vehicle was also set alight. Police have further linked the group to

incidents of theft, common assault and common robbery reported the previous day.

A multidisciplinary law-enforcement operation led to the arrest of 16 suspects, aged between 21 and 45, on charges of public violence.

Limpopo provincial commissioner lieutenant general Jan Scheepers strongly condemned the violence. Police investigations are continuing and further arrests may follow.

Platinum Bushvelder newspaper | Thabazimbi – The long-running child assault case involving Ria Oberholzer, Petrus Oelofse and Jesica Hull has been postponed yet again, with the matter now scheduled to continue on 27 August 2026 for further trial. The case first went to trial in March 2024 and has since been marked by numerous postponements. Smoke clears as Northam Landfill fire is brought under control

Platinum Bushvelder newspaper | Northam – Relief followed days of heavy smoke in Northam after a fire at the local landfill site affected residents and raised concerns about the impact on the surrounding community and environment. On Friday, 7 August 2026, Thabazimbi Local Municipality municipal manager Gopolang Letsoalo, accompanied by municipal officials, inspected the Northam Landfill Site following the recent fire outbreak. According to the municipality, the inspection was conducted to assess the extent of the fire and determine what immediate interventions were required. The thick smoke caused considerable discomfort for Northam residents, particularly those living near the landfill site. The municipality said an action plan would be rolled out as soon as possible to address the situation and mitigate its impact on residents and the environment. Residents and affected stakeholders were thanked for their patience and understanding, with the municipality indicating that further updates would be communicated as progress is made.

The fire at the Northam Landfill Site has been extinguished following an outbreak that blanketed parts of Northam in heavy smoke.

A ROAD FEARED BY MANY... The dangerous R510 has long been a source of concern for motorists and surrounding communities. SANRAL's announcement that the unfinished upgrade will resume has brought renewed hope for a safer journey through Northam.

R510 UPGRADE BACK ON TRACK

Platinum Bushvelder newspaper | Northam – For motorists and communities who have long feared travelling the dangerous R510, there is finally welcome news: construction on the unfinished national road is set to resume. The South African National Roads Agency SOC Limited (SANRAL) announced on 4 August 2026 that construction will resume on the R510 from the North West/Limpopo provincial border, through Northam, to Bierspruit. The project has been standing unfinished since the previous contractor abandoned the site in late 2024. For communities along this busy route, where serious and fatal crashes have caused immense heartache over the years, the announcement brings renewed hope that a safer road is finally on the way. A new contract, valued at R339 million, has been awarded to Lebaka Construction, with Mariswe (Pty) Ltd appointed as the supervision consultant. A two-month mobilisation period began in August and will continue until the end of September, during which planning and initial training of local labour and small, medium and micro enterprises (SMMEs) will take place. Construction is scheduled to begin in October 2026, with completion anticipated by 30 November 2027. SANRAL Limpopo provincial head Madoda Mthembu said the work will include major capacity and safety improvements, including passing and climbing lanes, surfaced shoulders, drainage structures and a four-lane cross-section on both approaches to Northam. For residents who have watched the R510 deteriorate and have mourned lives lost on this road, the return of construction cannot come soon enough.

R50,000 Explosives Bust in Thabazimbi

Platinum Bushvelder newspaper | Thabazimbi – An intelligence-driven police operation has taken dangerous explosives worth an estimated R50,000 off the streets of Thabazimbi.

A 32-year-old suspect was arrested on Wednesday, 5 August 2026, after Thabazimbi Detective Service members acted on information received from Rustenburg Detectives. The suspect was allegedly in possession of explosives and attempting to sell them in Thabazimbi. According to SAPS spokesperson colonel Malesela Ledwaba, police followed up on the information and proceeded to an identified address, where they allegedly found the suspect attempting to sell the explosives. Officers recovered a white plastic shopping bag containing explosives valued at approximately R50,000. The Modimolle Explosives Unit and Thabazimbi Local Criminal Record Centre were called to process the scene. The suspect was arrested for allegedly contravening the Explosives Act and remained in police custody pending his court appearance. Police are investigating the origin of the explosives and whether they could be linked to other criminal activities, including illegal mining or other serious offences.

Limpopo provincial commissioner lieutenant general Jan Scheepers praised the officers involved for their swift response and cooperation, saying the seizure had prevented a potentially serious threat to public safety.

Do you think today's children are less intelligent than previous generations?

Research suggests that rising IQ scores have slowed or even declined in some countries. Experts point to factors such as screen time, reading habits, education and lifestyle... but opinions differ. Do you believe today's children are becoming less intelligent, or are they simply developing different skills?

"No. Previous generations relied on letters and telephone booths; today, everything is a click away. Even babies can video-call their grandparents! But having smartphones and the internet doesn't automatically make someone smarter — what matters is how technology is used."

Kabelo Senyolo, Thabazimbi

"Yes. I think children today may seem less intelligent in certain areas because technology makes life easier. They often rely on phones, tablets and other devices instead of solving problems independently or learning how to do things for themselves."

Yuné Meyer, Thabazimbi

Did you know?

AFTER 64 YEARS, PRONUTRO CHANGED...

For generations, the familiar taste of ProNutro was part of South African breakfast tables. The cereal was launched in South Africa in 1962 – an incredible 64 years ago! In 2026, however, ProNutro underwent a major reformulation. Manufacturer PepsiCo introduced its "New Generation ProNutro", with a different taste and texture and 45% less total sugar than the previous recipe. While ProNutro itself is still sold in South Africa, the previous recipe has been retired – bringing an end to a familiar version of a breakfast staple that generations of South Africans grew up with.

'n Nuwe Yster aan HFM se stuur!

Mnr. Anton du Plessis saam met sy vrou, Wilma, wat saam met hom 'n nuwe hoofstuk in Thabazimbi aanpak.

Platinum Bushvelders koerant | Thabazimbi – 'n
Nuwe hoofstuk het by die Hoërskool Frikkie Meyer (HFM) begin met die aanstelling van mnr. Anton du Plessis as die skool se nuwe hoof. Hy het op 1 Julie 2026 amptelik die leisels oorgeneem en bring meer as drie dekades se onderwyservaring en diep Bosveld-wortels saam met hom.

Du Plessis, wat op Swartklip grootgeword het, is die sewende amptelike hoof in HFM se geskiedenis. Die skool was sedert 1 Mei 2025 sonder 'n permanente hoof, met me. Marie Boshoff wat gedurende dié tyd as waarnemende hoof diens gedoen het.

Sy loopbaan in die onderwys het in 1992 by Laerskool Bosveld in Ellisras begin. Daarna het hy onder meer by Laerskool Unitas gedien, was hy van 2006 tot 2017 hoof van Laerskool

Ellisras en het hy in 2018 die leisels by Hoërskool Nylstroom oorgeneem, waar hy tot vanjaar as hoof gedien het.

Vir Du Plessis is sy nuwe pos ook 'n terugkeer na 'n deel van die land wat hy nog altyd as tuiste beskou het. Hy en sy vrou, Wilma, is sedert 1993 getroud en het twee dogters, Lu-Marie Theron en Anélie Breitenbach. Die egpaar is ook trotse grootouers.

Du Plessis se visie vir HFM fokus sterk op samewerking, respek, dissipline en deurstellingsvermoë. Hy wil graag voortbou op die besondere gemeenskapsgees waarvoor HFM en Thabazimbi bekend is.

“Ons wil saam met die gemeenskap, myne, toerisme en die sakesektor hande vat. Ons wil 'n kultuur van respek, dissipline en deursettingsvermoë skep en 'n suksesvolle en verantwoordelike verhouding tussen die skool en die gemeenskap bevorder,” sê hy.

Sy aankoms is met groot geesdrif deur personeel en leerders begroet, met die skool wat die derde kwartaal as die begin van 'n nuwe era beskryf.

“Die personeel en leerders is dankbaar en baie opgewonde om ’n leier te hê wat gaan voor stap en om deel van hierdie nuwe hoofstuk te wees.”

En om deel van hierdie nawe hoorstak te wees.
 Met sy Bosveld-wortels, jarelange ervaring en 'n
 duidelike visie vir die toekoms, staan Du Plessis
 nou aan die stuur van een van Thabazimbi se
 trotse bakens. Die gemeenskap wens hom en
 Wilma hartlik welkom – en mag hy sommer gou 'n
 ware Frikkie én Yster word!

Mnr. Anton du Plessis (links), HFM se nuwe skoolhoof, saam met voormalige hoof mnr. Colin Campbell tydens die verwelkomingseremonie op 31 Julie 2026.

Marakele National Park manager Koketso Kotsoe received essential operational equipment from DFFE GEF-7 Pillar 1 Project manager Wayne Erlank in support of the park's rangers.

Marakele National Park rangers stood proudly in formation during inspection and drills as part of the World Ranger Day celebrations.

Wild at Heart, Brave by Nature!

Platinum Bushvelders newspaper
| **Thabazimbi** – Marakele National Park paid tribute to the courage and dedication of its rangers during World Ranger Day on Friday, 31 July 2026. The day highlighted the vital role rangers play in protecting South Africa's biodiversity, combating wildlife crime and safeguarding protected areas for future generations.

As part of the celebrations, the Department of Forestry, Fisheries and the Environment (DFFE), through the GEF-7 programme, donated essential operational equipment to support rangers in the field. The equipment included first aid kits, binoculars, torches, field radios, sleeping bags, uniforms and other field gear.

The donation will help rangers carry out their demanding duties more safely and effectively.

"Being a ranger is not a job, it's a calling. Thank you for your service and dedication," said Marakele National Park manager Koketso Kotsoe.
