– Daar is aande wat 'n mens lank ná die laaste dans steeds bybly. Vir Hoërskool Frikkie Meyer se 171 matriekleerders was Woensdag 23 September 2026 só 'n aand: 'n matriekafskied vol glans, vriendskap en die besef dat 'n nuwe lewenshoofstuk om die draai wag. Met 'n sonsondergangtema het die matrieks vir een aand die boeke, toetse en eindeksamendruk opsy geskuif. In spoggerige pakke en pragtige rokke het hulle 'n geleentheid gevier waarna baie reeds van kleins af uitgesien het. Die indrukkewkende aankomste en verskynings op die loopplank het die feestelike toon aangegee. Besondere voertuie het aandag getrek, terwyl 'n groot groep toeskouers die skouspel met entoesiasme geniet het. Vir ouers was dit ook 'n kosbare oomblik: die kinders wat eens met groot skooltasse en onseker treë hul skoolloopbaan begin het, het nou as jong volwassenes voor hulle gestaan. Maar 'n matriekafskied is meer as mooi klere en blink motors. Agter elke glimlag lê jare se vriendskappe, uitdagings, oorwinnings en herinneringe. Tussen die opwinding was daar

ook die wete dat die bekende klaskamers, pouses en sportdae binnekort plek sal maak vir nuwe geleenthede en onbekende paaie. Matriekma Henriëtte Gildenhuys het die aand se sorgvuldige beplanning en besondere atmosfeer uitgesonder. Volgens haar het alles, van die loopplank tot die dekor in die saal, saamgewerk om 'n onvergeetlike ervaring te skep. “Met soveel moeite en toewyding kan Hoërskool Frikkie Meyer met reg trots wees op 'n matriekafskied wat as 'n reuse sukses onthou sal word,” het sy gesê. Vir matrikulant Niel Gildenhuys het die aand van begin tot einde soos 'n sprokie gevoel. Ná die aankomste en loopplank is die leerders na 'n wagarea vervoer, waar vonkelende liggies 'n gesellige atmosfeer geskep het. Daar kon hulle ontspan, gesels en 'n heerlike voorgereg geniet voordat die res van die aand se program begin het. Toe die saaldeure oopgaan, het dekor wat die kleure en gevoel van 'n sonsondergang vasgevang het, hulle verwelkom. Die program het toesprake ingesluit wat die matrieks se skoolreis en prestasies gevier het. Hoofdogter Ané Coetzee en hoofseun Herman Prinsloo het 'n hartlike boodskap aan hul medematrieks oorgedra en hulle aangemoedig om met waardering terug te kyk en met hoop en moed vorentoe te gaan. Die nuwe skoolhoof, Anton du Plessis, het ook 'n spesiale boodskap gedeel om die groep vir die laaste deel van hul skoolloopbaan aan te moedig. Daarna het Ané en Herman die dansvloer met 'n stylvolle openingsdans betree. 'n Feesmaal het gevolg, waarna die musiek en dans die res van die aand oorgeneem het. Met die afskeid agter die rug lê die eindeksamen nou voor. Dit is die laaste groot uitdaging voordat hierdie groep se paaie in verskillende rigtings begin loop. Tog sal die herinnering aan dié aand hulle verbind: die lag, die mense, die musiek en die voorreg om nog een keer só saam te wees.

Platinum Bushvelder se boodskap aan die matrieks

Aan Hoërskool Frikkie Meyer se 171 matriekleerders: geniet hierdie laaste tree van julle skoolloopbaan. Gee julle beste in die eindeksamen en wees trots op hoe ver julle reeds gekom het.

Onthou die mense wat saam met julle gestap het, hou vas aan julle drome en betree die volgende hoofstuk met moed. Agter julle lê 'n skatkis vol skoolherinneringe; voor julle wag 'n wêreld van moontlikhede. Mag die Here julle seën, julle voetstappe rig en julle met wysheid en moed toerus vir die pad vorentoe. Mag hierdie sonsondergang die belofte van 'n mooi nuwe sonsopkoms inhou.

Four days, six crashes, three lives lost

A devastating series of road accidents leaves families grieving and emergency crews confronting collision after collision

Platinum Bushvelder newspaper | Thabazimbi – Three people lost their lives and numerous others sustained moderate to serious injuries in six road accidents reported in and around Thabazimbi, extending as far as Koedoeskop, between 23 and 26 September 2026. Over just four days, emergency services responded to head-on collisions, vehicle fires, a fatal pedestrian accident and an overturned trailer. Families and motorists were left facing the devastating aftermath, while emergency crews repeatedly confronted serious injuries and loss of life. For those responding to the calls, it was an exceptionally demanding and distressing period. Behind every damaged vehicle was a family whose journey had been abruptly interrupted – and, for three families, a loved one who would never return home.

Six injured in Spitskop head-on collision

The first accident occurred at approximately 17:56 on 23 September 2026, when two vehicles collided head-on in Spitskop. Both vehicles were written off due to the severity of the impact. Six patients from the two vehicles sustained moderate to serious injuries. Fortunately, no critical injuries were reported. Thaba Fire and Rescue, Spitskop Rural Safety (SRS), TLM Waterberg District Fire and Rescue, Thabazimbi Police Department, Thabazimbi Traffic Department, Trauma Rescue Emergency Ambulance Service, Thabazimbi State Ambulance, IGAGU Emergency Ambulance Service and P&K Towing and Recovery responded to the scene. The scene was cleared at approximately 19:45.

Collision beneath the railway bridge

Just over two hours after the first collision, at approximately 20:18 on 23 September 2026, emergency services were called to another accident in Thabazimbi. Two vehicles collided beneath the railway bridge on Warmbad Weg Road, between MBT and the mall. Both vehicles were written off due to the severity of the impact, although fortunately no serious injuries were reported. Thaba Fire and Rescue, TLM Waterberg District Fire and Rescue, Thabazimbi Police Department, Thabazimbi Traffic Department, Thabazimbi State Ambulance and P&K Towing and Recovery responded. The scene was cleared at approximately 21:00.

One of the vehicles involved in the collision beneath the railway bridge on Warmbad Weg Road was loaded onto a low-bed recovery truck.

Ten-year-old girl dies in R511 accident

A 10-year-old girl tragically lost her life in a single-vehicle accident on the R511 Koedoeskop–Brits Road on 25 September 2026. Emergency services responded at approximately 20:03 after the driver lost control of the vehicle. The girl's mother sustained a serious back injury, while the other three passengers suffered injuries of varying severity. Trauma Rescue Emergency Ambulance Service, TLM Waterberg District Fire and Rescue, Thabazimbi Police Department, Thabazimbi Traffic Department, Limpopo Provincial Traffic Department, Thabazimbi State Ambulance, P&K Towing and Recovery, Northam Plats Fire Team and Limpopo Forensic Services responded to the scene. Emergency personnel remained on site while recovery operations and the necessary procedures were completed. The scene was cleared at approximately 01:14. *Platinum Bushvelder* extends its sincerest condolences to the young girl's family, friends and loved ones during this heartbreaking time. Our thoughts are also with her mother and the other injured passengers as they recover.

Driver dies in fiery R510 head-on collision

While responding to the R511 accident on 25 September 2026, emergency services came across another major collision on the R510 near the Crocodile Bridge, shortly before the R511 turn-off. The accident occurred at approximately 20:12 and involved a Nissan Qashqai and a Toyota Etios, which collided head-on. The Toyota Etios caught fire immediately after the collision. P&K Towing and Recovery managed to separate the two vehicles before the Nissan Qashqai also caught fire. The Nissan Qashqai was carrying five people – three adults and two children. All five were transported by ambulance to hospital for medical treatment. The Toyota Etios had only one occupant, its driver, who became trapped inside as the vehicle was engulfed in flames. Tragically, he was unable to escape and died in the fire. Thaba Fire and Rescue worked to contain and extinguish the blaze. However, the flames had already become intense by the time emergency crews reached the vehicle. Thaba Fire and Rescue, Wildmed Emergency Services, Northam Plats Fire Team, Thabazimbi Police Department, Thabazimbi Traffic Department, Limpopo Provincial Traffic Department, Thabazimbi State Ambulance, TLM Waterberg District Fire and Rescue and Limpopo Forensic Services responded to the scene. The scene was cleared at approximately 01:54. *Platinum Bushvelder* extends its sincerest condolences to the deceased driver's family, friends and loved ones. We also wish the injured occupants of the Nissan Qashqai strength and healing.

Pedestrian killed opposite Thaba Trans

In the early hours of Saturday 26 September 2026, emergency services responded to a fatal pedestrian accident on the R510, on the road into Thabazimbi from Lephalale. At approximately 02:01, a flatbed truck travelling towards Thabazimbi struck two pedestrians opposite Thaba Trans. One of the pedestrians tragically succumbed to his injuries almost immediately at the scene. The second sustained moderate injuries and was transported to hospital for further medical treatment. The deceased was well known in Regorogile, and news of his sudden passing sent shockwaves through the community that knew him. Thaba Fire and Rescue, Thabazimbi Police Department, Thabazimbi Traffic Department, Just Local Towing, P&K Towing and Recovery, Thabazimbi State Ambulance, Bela-Bela Pathology and Limpopo Forensic Services responded to the scene. We wish the injured pedestrian a steady recovery.

Family's move disrupted as furniture trailer overturns

The final accident reported during the four-day period occurred at approximately 19:54 on Saturday 26 September 2026, on the R510 near Ben Alberts. The incident involved a vehicle towing a trailer loaded with furniture belonging to a family who were moving to Fochville. It is alleged that the driver lost control of the vehicle, causing the trailer to overturn. Fortunately, no injuries were reported. Some of the furniture was damaged, but the family managed to salvage the undamaged belongings and returned to the flat where they had been living. Thaba Fire and Rescue and P&K Towing and Recovery attended the scene. The incident was cleared at approximately 22:03.

R217 million Cuba drug deal: PSA demands answers on SA defence spending

Platinum Publishers – SA | The Public Servants Association (PSA) has called for urgent accountability following revelations concerning more than R2 billion in allegedly irregular Department of Defence contracts. In a statement dated 28 September 2026, the union, which represents more than 250,000 public sector employees, expressed alarm at findings reported by the Special Investigating Unit (SIU). It warned that weaknesses in procurement oversight threaten public finances, defence capabilities and confidence in government. Among the matters highlighted by the PSA is a R217 million contract linked to the acquisition of a drug from Cuba, identified in its statement as Alpha-2. The union also pointed to contracts and variations worth hundreds of millions of rand investigated under Proclamation R239 of 2025. The PSA said workers and citizens bear the consequences when public resources intended to strengthen defence operations are compromised by alleged corruption and procurement irregularities. It warned that such failures undermine the morale of public servants who work to uphold integrity and serve their communities. The union urged Parliament's Portfolio Committee on Defence and Military Veterans to convene urgent hearings. It also called for prosecutions to proceed without fear or favour, disciplinary action against those responsible, and any recovered funds to support critical defence operations and employee welfare. The PSA said it would continue monitoring developments and ensuring that workers' concerns form part of the demand for accountability.

Has crime reset its alarm clock?

6AM TO MIDDAY WAS DURBAN'S BUSIEST CRIME WINDOW IN AUGUST — A REMINDER FOR COMMUNITIES EVERYWHERE TO STAY ALERT.

Platinum Publishers | SA – The morning rush may get households moving, but it can also give criminals an opening. Figures released by Blue Security on 29 September 2026 show that 6am to midday was the busiest crime period in its Durban records for August. Of the 468 cases recorded, 264 occurred during the day and 204 at night. The morning window accounted for 147 incidents. Blue Security CEO Henk van Bemmelen said people leaving for work, doing the school run and opening businesses can become distracted, while properties may become vulnerable shortly after their occupants leave. “Daylight should never be confused with an absence of risk.”

The pattern changed from July, when the company recorded 193 daytime incidents and 232 at night. This shift highlights why vigilance should extend beyond the hours we instinctively consider dangerous. Statistics South Africa's 2025/2026 Governance, Public Safety and Justice Survey found that 80.7% of respondents felt safe walking alone in their neighbourhood during the day, compared with 37.9% after dark. Those perceptions, however, measure something different from recorded crime incidents. The Blue Security figures cover one company's records in Durban and do not establish a national trend or the busiest crime hours in Rustenburg, Thabazimbi or Northam. But the practical lesson travels: everyday routines deserve attention wherever we live. For residents closer to home, its advice is straightforward: arm alarms whenever the property is vacant, check that gates and garage doors have closed properly, and remain aware of your surroundings during the morning rush. The sun coming up should never mean letting your guard down.

Should high school learners be allowed to use cellphones during school hours?

Although cellphones can be useful for research, communication and emergencies, they may also distract learners and disrupt lessons. Should high schools allow cellphone use during school hours, or should devices remain switched off and safely stored?

"No. Learners from disadvantaged families may feel pressured to keep up with classmates who have cellphones. This can place an extra burden on them and shift their focus away from their studies."

HOW LONG IS THE ROAD FROM MEETING TO FINISHED? A 3.38 km road rehabilitation project in KwaZulu-Natal began in September 2023. The province's 2026 budget still listed it among delayed projects, citing the contractor's cash flow problems. In Northern Ireland, officials scheduled 2.2 km of resurfacing from 13 April to 5 June 2026 – about eight weeks. The work differs, so these examples cannot prove a countrywide speed gap. But they raise a fair question for every road authority: after the meeting, where is the timetable... and who answers when it slips?
